

DogsNZ Agility Standing Orders - Section 10

Junior Dog Training

The Agility Committee supports the work of Junior Dog Training and should ensure that they provide any assistance possible to encourage and develop our young handlers.

JDT Classes

The Agility Committee should assist and encourage clubs to run JDT classes. The Judge's sub-committee should ensure that judges are aware of the need to provide flowing and fun courses for Junior handlers.

Inter-schools Competition

When the Inter-school competition is run, the Agility Committee will assist where possible and help with organisation and any other assistance required.

NZDAC

The Agility Committee will ensure that the organising committee includes JDT classes and finals in the NZDAC schedule of events each year.

The finals are a prestigious event and should be planned to take place at a time when little else is happening. Immediately prior to the running of the Agility finals is ideal.

JDT Camp

The Agility Committee will provide monetary assistance toward the Annual JDT camp. This is to assist with the travel costs of trainers and helpers. The level of support provided is at the discretion of the Agility Committee.

The 2020 level of support was at the level of \$1385.
