

DogsNZ Agility Standing Orders - Section 6

Zone Matters and Awards

This section covers all matters applicable to the Zone clubs, Regional meetings, Interclub competitions and Zone annual awards

Regional/Zone Meetings

Whilst the traditional Zone meetings are no longer required under the NZKC Agility structure, it may be advantageous for Zones to hold informal meetings as may be required to discuss NZDAC, local competition etc.

These meetings may take any form suitable for the Zone including teleconference or by email agreement.

Any person residing in the Zone may and should be encouraged to attend a Zone meeting.

Interclub Competitions

The Regional Interclub day is designed to be a fun day which allow all clubs and their members to get together in an environment that is more social and less competitive than normal Events.

This Interclub can be as formal or informal as each Region wants to make them and is to include any mini-assembly held in a region.

Interclub Days should be inclusive events and should be designed to encourage and support new handlers.

They may be held locally with the clubs from an area participating

The Timing of any interclub is to be mutually agreed and decided by the host clubs each year. The venue is also at the discretion of the host clubs.

Any Interclub event must be run according to the NZKC Agility Regulations.

The format for an interclub day will be set by the host club.

Zone Awards

Some of the Zones have annual trophies which are earned over the course of the year. Details of these are as below:
