

## 2016 Calendar Deadlines

**31<sup>st</sup> July 2015** – Deadline for clubs to relinquish dates, apply for new dates, inform the calendar subcommittee of any errors/ommissions etc. Please, check your allocated AD/ADX allocations, as these may not be the same allocation as previous years. AD/ADX allocations are made by the Agility Committee to ensure the dates are spread throughout the calendar both in time and location. This is to ensure fairness amongst the clubs within each zone.

Please contact the Agility Committee [nzkcac@gmail.com](mailto:nzkcac@gmail.com) if you have any questions regarding the draft calendar.

**31<sup>st</sup> August 2015** – The 2016 Agility Calendar will be finalised.

After this date any changes, alterations to dates etc will need to be applied for directly with the agility committee. [nzkcac@gmail.com](mailto:nzkcac@gmail.com)

### **Procedures:**

- Any club wishing to hold an event on a date already held by another club, will not be approved unless the club holding the date wish to relinquish this date. Negotiation between the two clubs should be done at **club level**, before contacting the calendar subcommittee. The Agility Committee will only become involved if the club holding the date is willing to relinquish their allocated date.
- Clubs wishing to hold an event on a date already held by another club, may apply to do so to the Agility Committee, only if the event is to be held somewhere where it is probable the entries will not impact on the club already approved to be holding an event (for example in another island, or at extreme ends of an island, or a ribbon trial wanting to be held on the same date as an existing champ show being held three hours away geographically).
- Clubs whose dates are susceptible to outside influences such as movable festivals will be accommodated where possible, and other clubs' dates may be moved slightly to allow this. Clubs whose dates are changed slightly each year will be notified.
- A final calendar will be published after all deadlines have occurred. This calendar will then be submitted to the NZKC.
