

Regulation changes for March 2015.

As a result of feedback the following will be submitted to NZKC Executive for approval in February, with the aim to become effective March 1st 2015.

1. Uploading of AD and ADX advanced results - includes AD/ADX Advanced held at Ribbon trials. Proposal to be forwarded unchanged.
2. Weave poles – adds a vertical requirement and advice on design, as well as clearly listing the number of poles required for classes. Proposal to be amended to change the range to allow for 6-12 poles to be used.
3. Wings – slight alteration giving wider scope for wing design. Proposal to be amended to allow a width up to 650mm, to accommodate existing wing jumps.
4. Changes to measuring of dogs – allows for a longer timeframe for permanent measures, as well as new conditions for maxi dogs interim measures. The second part of this proposal is to be withdrawn. All dogs of any height will still require a permanent measure at two years.
5. Extra awards. Introducing new awards for Senior, Jumpers B and Jumpers A. Jumpers B awards to be named JDX, JDXB, JDXS, JDXG. Administration. The awards suffix (ADX, SDB, JDXB, JAB etc) will be dropped off the dog's official name if a higher award or title is gained. For example if a dog gains a Jumpers A award, the Jumpers B award will be dropped.
6. Proposed changes to governance – unchanged.
