PERMANENT NUMBER SYSTEM: Cam List to continue to manage the Permanent number registration and the online entries system.

There was a discussion on how best this Committee could help Clubs. Why do some Clubs do better than others? Are there some features in those clubs which could be tranfered to those who are struggling? It is the resolve of this Committee to help Clubs:

1. Increase membership.
2. Improve equipment and facilities.

Funds from NZ agility, and use of local expertise for instruction at club level are to be explored as initial ways of doing this.
